Thank you for the list of times Calvin. I will check with Mary Ellen and Jim to see what works for them, and we can set up a call once we agree on a time.

I was able to download (and print) the files, and I think Mary Ellen did as well.

Take care

Hi Shari,

Hope that you already had a copy of the application printed and had a chance to see the extent of the material for review.

If so, can you please send out an invite with call-in info and a proposed timeslot for a kick-off call sometime rest of this week? Please also include David and Kate in the invitation. Some availabilities for us three are 4/22 between 10am and 11am, 4/23 between 10am and 12pm, and 4/24 between 9am and 10am, all in PST.

Thanks,
Calvin

Thanks. I think I'll make my first visit to the office in about a month to print it out.

Hope I remember how to get there. ☺

Hi Shari,

I have shared the OneDrive folder with Mary Ellen and Jim.

Yes, all files in the OneDrive folder are downloaded from the GSDT.

Thanks, Calvin.

Can you also share this with Mary Ellen and Jim?

I can't access the one drive page, but can access the GSDT. Are all the on the one-drive files downloaded from there? If so, I can use that as a start.

Hi Shari,

This folder contains the "Material to Review" for the CES Mendota UIC permit application.

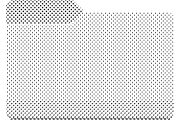

We can set up a kick-off call sometime next week once you have a chance to briefly look at the material.

Thanks,
Calvin
